			PERFORMANCE INDICATORS	FY 2012 ACTUAL ACCOMP	FY 2013 TARGET	FY 2013 ACTUAL ACCOMP	
<p>The Philippine Institute for Development Studies develops a comprehensive and integrated research program that will provide the research materials and studies required for the formulation of national development plans and policies. PIDS also serves as the common link between the government and existing research institutions wherein various research studies are discussed and evaluated. In addition to this, it also conducts and undertakes research requested by government or agencies and to arrange for research to be conducted by other research institutions and individuals, locally and abroad. The Institute also conducts joint studies with domestic research institutions in the academic, government and business sector. It establishes a repository for economic research information and other related</p>	MAJOR FINAL OUTPUTS
